

# Every Postgres contribution counts

Celebrating non-code contributions, too.

## About postgres-contrib.org

**postgres-contrib.org** is a new website, started in July 2024 by members of the PostgreSQL community, highlighting contributions to the project by the amazing people standing behind it.

Many contributions to and for the PostgreSQL Project happen outside of writing code. This was the topic of the [Increase Community Participation](#) session at [PGConf.dev 2024](#).

The following people contributed to this list, and the general idea: [Andreas Scherbaum](#), [Boriss Mejías](#), [Chris Ellis](#), [Floor Drees](#), [Jimmy Angelakos](#) and [Pavlo Golub](#).

If you would like to add something to the list of contributions please contact us by [email](#).

postgres-contrib.org is a volunteer website, not affiliated or endorsed by the PostgreSQL project or the PostgreSQL Community Association.
